Coram Garden Clean-Up

ARA Venn is pleased to announce that on 11th August 2022, in conjunction with **Coram**, it participated in a second garden clean-up project.

As part of the firm's ESG policy, it is proud to have adopted the '1-1-1' model, which means that 1% of each of our profits and people's time, on an annual basis, is given to support community causes, together with a pledge to be carbon neutral.

This year, as part of that commitment, a team of 15 employees gave their time to assist Coram with the clean-up of their Creative Therapies Pears Pavillion play-area and surrounding gardens, at the site's headquarters at Brunswick Square. The work involved introducing lots of topsoil and bark chippings together with weeding and raking, all on a very hot day.

Coram is a specialist group of children's charities, committed to improving the lives of the UK's most vulnerable children and young people. Established in 1739, it is the oldest children's charity and remains at the forefront of children's social care. Coram's gardens are used by a number of charities to conduct therapy sessions, provide nursery services and host adoption and fostering picnics.
