

ARA Venn is proud to have been shortlisted as a finalist for 'Most Innovative Finance Model' in the Housing Digital Innovation Awards 2023. Through the Affordable Homes Guarantee Scheme 2020, the firm offers the social housing sector a uniquely positioned new alternative funding route which provides borrowers with attractive long-term, lower-cost financing to support their affordable development pipelines. Accessing the markets flexibly, 6 projects totalling c£400m have already been funded, and there is a strong pipeline of future loans which will be funded to support borrowers' affordable homes delivery plans, benefitting their local communities.

The banner features a dark blue background with a blurred image of a hand holding a clear glass award trophy. The trophy has the Housing Digital logo and 'Innovation Awards' text on it. In the top left, there is a large white and teal 3D geometric logo consisting of three interlocking blocks. The text 'Housing Digital' is in white and teal, with 'Innovation Awards' in white below it. The event details 'Thursday 9th February 2023' and 'Edgbaston Cricket Ground, Birmingham' are in white. The year '2023' is in large teal font, and 'FINALIST' is in large white font. At the bottom, a teal bar contains the website URL 'www.housingdigital.co.uk/awards' in white.
